ABOUT ME

I'm a Texas native with a passion for cultural collaboration, film, literature, and performing arts. Born and raised in the United States, I have a B.A In English from Texas State University, and a minor in secondary education; I'm currently enrolled in M2 of the MSc Smart-EdTech, Co-creativity & Technology Enhanced Learning (SEdT) program at Université Côte d'Azur and working on an educational social platform that discusses elements of Epistemological Culture Theory.
